

## Dreyfus Tax Exempt Cash Management

### 2021 Tax Information

The Year-to-date amounts on your "ACCOUNT STATEMENT" in the "SUMMARY" section indicates the total dividends paid for 2021. All dividends paid by the Fund during 2021 were "exempt-interest dividends," and therefore 100% free of any regular Federal income tax.

State and local taxes differ from state to state. It is suggested that you consult with your own tax advisor with respect to these taxes.

The table below shows the annual percentage breakdown, by state or U.S. possession, of the interest exempt from regular Federal income taxes, earned by the Fund for those states in which the Fund had investments during the year 2021.

The percentage of interest earned by the Fund for the year 2021 from its investment in certain specified private activity bonds which is to be treated as a preference item for purposes of the Federal alternative minimum tax calculation was **9.81%**.

Attention Minnesota residents: Minnesota legislation provides that all of the Fund's federally "exempt-interest dividends" are subject to Minnesota individual income tax.

**The above information regarding Federal Tax Exempt income and distribution subject to alternative minimum tax (AMT) will be provided to both you and the Internal Revenue Service on Form 1099-DIV.**

<u>State / U.S. possession</u>	<b>For the Year 2021</b>
